### MONTPELIER

Cement Product Company Formed Organization Last Evening.

The Montpelier Cement Product company organized last evening by the election of the stockholders. They elected T. E. Callahan, Robert Fraser and Robert Lawrence of Montpelier to represent the preferred stockholders, J. & B. Bellonby of Montpelier and J. W. Linnehan of Boston as directors from the common stockholders. The capital stock is \$75,000, of which \$25,000 is preferred stock. The articles of association were adopted. John H. Gowdey was named as clerk of the company. The by-laws, by which the company shall be governed, were adopted. The directors later met and elected as officers: President, Mr. Bellonby; vice-president, Mr. Linnehan; treasurer, Mr. Gowdey; assistant treasurer, Robert Lawrence.

Ray Hurlbert, who was in an accident on the Williamstown road Monday afternoon, met more trouble when he reached the secretary of state's office and was unable to complete his trip from Brattleboro to Burlington, his operating license having been retained in the office until Secretary Black arrived to-day at least.

Hurlbert lost his license two years ago, but because he had been a soldier he was given a new license last year. It appears from the report that his car and that of Lincoln Morse collided near Williamstown Monday. Both cars went to the bank and Morse's truck was tipped on one side. Morse was insistent on the matter being reported to the secretary of state, so the two men came to the city. When the matter was being straightened out W. S. Trachout found that Hurlbert was not running his car on the number plates that were issued him and he could not explain, so he was asked to leave his operator's card in the office, which was done. He had to secure a driver to take his party the rest of the way to Burlington.

A conference of the rural free delivery carriers in Washington and Orange counties took place in the city council chamber in Montpelier Monday evening. An effort to secure information as to the reason for the conference resulted in the statement that they were just talking things over, so the reason for the conference was not learned. At a recent meeting of the state organization the delegates voted to ask for an increase in salaries, so this matter might have been under consideration.

Miss Marion E. Feeley, who is now in Washington, D. C., has been elected by the state board of education as the instructor in the teacher training course at Montpelier seminary and will arrive in a few days to begin her duties. M. B. Hillegas received a telegram Monday from Miss Feeley, stating she would accept the appointment. She was formerly a teacher in the normal school at Johnson. She is an excellent teacher and the seminary is fortunate to secure her appointment. Lyman M. Darling, who has been the district superintendent in the Windsor west district, with office at Ludlow, has resigned to take charge of lumbering which he is interested in, in Lamotte county.

Planchard, who has been superintendent at North Troy, is elected to the Chittenden south district.

A. W. Hewitt of the state board of education is in Boston this week, where he is delivering a course of lectures at the Boston Theological school. Mr. Hewitt last year delivered a similar course of lectures at a theological school near New York.

Miss Beatrice M. Reed left Saturday to resume her position as accountant with the U. S. shipping board at Washington, D. C., after two weeks' visit with her parents, Mr. and Mrs. Wayne M. Reed. Mr. and Mrs. Ira L. Hiller and daughter, Mr. and Mrs. Thurber and daughter and Miss Ada Downing of New York were also guests of Mr. and Mrs. Reed last week.

Adj. Gen. H. T. Johnson was in St. Johnsbury last evening relative to the organization of a company of the national guard in that village, which will be known as company D. There are 108 on the roll now, and the officers which the company selected have been named. These are Stewart Cheney, Merton Ashton and Ralph E. Bean, all of whom saw service in France. The company was organized by Capt. H. A. Wilcox, who was captain when the Vermont regiment went into federal service. The organization will be completed the first of October.

Edward Gill, who was guardian of M. H. Morgan, better known in Montpelier as "Dr." Morgan, received advice from the state hospital that Morgan died this morning, and his body will be brought to Hall's undertaking rooms to remain until the funeral occurs, for which arrangements have not been made. Mr. Morgan was 80 years old Jan. 1. He was a native of Racine, N. Y., but had lived in Montpelier for many years. He was a member of the Knights of Pythias and leaves three daughters and a wife. It is expected that the burial will be in Montpelier.

Miss Margaret Campbell has resumed her duties in the secretary of state's office, after a visit in Boston. Miss Leonide Greaney of the same office was in Barre yesterday for the celebration. Miss Doris Emery has returned to her duties in the agricultural department, after a visit with her sister near Boston.

A. C. Theriault, who is director of Washington county for the observance of Constitution day, has completed arrangements for the proper celebration of the event. Lieut. Gov. Mason S. Stone will speak at the first show Wednesday.

Mrs. Lamarre wrote the following to Dr. J. F. True & Co.: "My daughter, Gertrude, had dizziness and could not even go out for she always complained of being sick. ## THIS TONIC HAS BECOME TRUSTED FAMILY REMEDY

Three Generations of Fall River Women Advocate Dr. Williams' Pink Pills as Blood Builder.

It is not unusual to find Dr. Williams' Pink Pills the standard home medicine in families having an anemic tendency and in the following case three generations of women found these pills effective in building up their blood when other means failed.

"My illness started when I was a young girl," says Mrs. P. Winstanley of No. 86 McGowan avenue, Fall River, Mass. "My blood was thin and I had no color. I went almost to a shadow. My strength seemed to leave me and I could not put on flesh. I was nervous and I think my trouble was caused by overstudy as I was always very ambitious in school."

"I tried different medicines but nothing helped me until I tried Dr. Williams' Pink Pills."

"My mother had used the pills and recommended them to me. After I had taken a few boxes I could see that I was gaining. I persisted in the treatment and finally regained my strength. My daughter has also used them with benefit for thin blood."

Dr. Williams' Pink Pills for Pale People are sold by your own druggist or will be sent direct by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50. Write to the Dr. Williams Medicine Co., Schenectady, N. Y., for the free book "Building Up the Blood."—Ad.
